

20 FEBRUARY 2015

Pass it on...

ADVISORY: BUTTS ROAD TRAFFIC FLOW REALIGNMENT

Two traffic detours will be implemented in February as part of the ongoing roadway construction on Butts Road south of Titus Boulevard. The northbound lanes of Butts Road through the Crow's Foot security gate will be converted to carry two-way traffic and southbound traffic will be detoured onto that section of roadway (see map at the link below). This detour is required as part of the reconstruction of the existing southbound lanes located west of the gate. This two-way detour is scheduled to be in effect until Aug. 1.

The short section of Butts Road, which crosses Infantry Creek and the tank trails will be closed for reconstruction. All Butts Road and tank trail traffic will be rerouted onto a temporary detour road located next to the closure. This detour is scheduled to be in effect until May 1. Drivers are advised to pay close attention to the traffic signs and posted speed limits while moving through this construction zone. Drivers should anticipate some delays related to this construction and allow themselves additional travel time whenever possible. For more information, call the Directorate of Public Works Traffic Engineering at 526-9267.

ADVISORY: INSTALLATION ACCESS CHANGES

Non-DOD/federal ID cardholders will have until May 1 to obtain installation access passes. While contractors and reoccurring visitors have this time to present the proper paperwork to the Visitor Control Center, Fort Carson officials are asking people to not wait until the last minute to complete the process. Also, Visitor Control Center officials have noticed issues with the Fort Carson Form 2036. The Form 2036 must be digitally signed with a Common Access Card by a military sponsor, not hand signed. For organizations on post, such as the Army and Air Force Exchange Service and Defense Commissary Agency that don't have CAC cards, provisions have been made in advance with these organizations to obtain passes for those who need it. The Visitor Control Center is located in building 6012, immediately outside of Gate 1. It is open seven days a week from 5 a.m. to 9 p.m. Personnel who are requesting a visitor day pass or an extended access pass need to bring their state or federally issued photo ID (e.g. state issued driver's license or ID card, or U.S. passport). Vehicle operators need to bring in their vehicle registration and proof of insurance. For more information, call the VCC at 526-2332.

NO-COST ONLINE TAX PREPARATION AND FILING SERVICE

The Military OneSource no-cost, online tax preparation and filing service launches in early January 2015. If you are eligible under the Military OneSource program, you can complete, save and file your 2014 federal and up to three state returns with a custom tool made available through the Military OneSource website. You must start your return from the Military OneSource online tax filing link to access this no-cost offer. This year, the tax preparation and filing tool allows you to include rental property income, second mortgages and charitable donations. The tool also has these new features:

- **Optimized for mobile devices.** Start, continue or finish your taxes on any mobile device from within a mobile browser.
- **Product customization for returning users.** Returning users now experience a much deeper customized interview focusing on everything we already know about you.
- **Refund Reveal™.** Use this feature to see how and why your refund amount increases or decreases.

If you created an account last year through Military OneSource, your login credentials for that account will still work and you will be able to access last year's personal tax information.

- For assistance logging in to Military OneSource, please call 888-363-6431 or submit a support request form.
- For technical assistance with the tax filing tool, please call 800-472-5625.
- To learn more about the tax filing service, please see the FAQs.
- For any questions regarding filing an extension through the software, please contact a Military OneSource tax counselor (800-342-9647) for further information.

The Internal Revenue Service will begin processing e-file returns during January 2015. If you complete your returns with the service offered through Military OneSource prior to the Internal Revenue Service processing date, your files will be held in a pending status. Once e-file opens, the system automatically submits the return to the Internal Revenue Service.

Military OneSource tax counselors

If you have questions about this tax service or about your own tax returns, please call 800-342-9647 and ask to speak with a Military OneSource tax counselor. Trained tax counselors are available Monday through Friday, 8 a.m. to 10 p.m. Eastern time year-round and with extended hours during tax season: seven days a week from 7 a.m. to 11 p.m. Eastern time.

Reminders

- Be sure to access the online tax preparation and filing software through the link provided on the Military OneSource website.

- Remember to wait until you receive all of your W-2s and other tax documents before you file your return. Otherwise, you may have to amend your return.
- Remember that e-filing is subject to the Internal Revenue Service calendar. Though you may be able to complete your return, it will not be submitted to the Internal Revenue Service until the Internal Revenue Service begins accepting e-file returns. For more information, access the [IRS.gov](https://www.irs.gov) website.
- If you are prompted for payment of any kind while using the no-cost service, please call Military OneSource (800-342-9647) immediately for assistance.
- No-cost filing through Military OneSource allows for one federal and up to three state returns per user.

Best practices for filing your taxes

- Have all of your documents and information ready when preparing your taxes (Social Security number, Taxpayer Identification Numbers, W-2s, 1099 forms, expense documents, bank account information in case of refund, etc.).
- Be sure to disclose all of your income from the year (including wages, investments, etc.).
- Determine the best way to file for yourself (prepare your taxes online, paper file or take them to a preparer).
- File early (it's best to do it once you receive all of your documents, reducing the risk of misplacing them, reducing the wait time for receiving a refund and/or avoiding penalties for late filing).

Military W-2s

You may have access to military W-2s and other tax statements through your [myPay](#) account on the [Defense Finance and Accounting Service website](#). Please note that:

- A schedule for when these tax statements will be available on myPay or mailed to your address is usually posted on the [Defense Finance and Accounting Service website](#) between mid-November and mid-December each year.
- Service members who have separated may also access myPay for a year after separation. Therefore, it is important to keep myPay login information available, as it will save time when you are ready to file your taxes. For more information, visit the [myPay website](#).

NURSE ADVICE LINE

Fall is almost here, and that means weekend trips and holidays for the military Family. If you and your family have a medical problem while traveling this fall you can call the Nurse Advice Line (NAL) while on the road for all of your health concerns and needs.

The NAL is the Military Health System's new initiative to improve ready access to safe, high quality care. Calling the NAL gives you access to the advice you need at the right time. Call 1-800-TRICARE (874-2273), Option 1 [or (719) 524-2273, Option 3] to talk to a registered nurse (RN) who can answer your urgent care questions, give you health care advice, help you find a doctor or schedule a next-day appointment at a military hospital or clinic.

If you or a member of your family gets ill while you are traveling, calling the NAL can help you figure out what steps to take. The nurse will ask you questions about the symptoms that you or your family member are experiencing and provide advice on whether you need to seek care and when. When you are traveling, the NAL nurse will help you find a safe, high-quality health care facility in the TRICARE network. If you are a military hospital or clinic enrollee, the NAL will send a follow-up note to your primary care manager and medical team back home so they know how you are doing.

You can safely travel with TRICARE and the NAL. The NAL is available 24/7. For more information on accessing the NAL while on the go, visit <http://www.TRICARE.mil/NAL>.
